---

The undersigned, as Proposer, hereby declares that the only person or persons interested in this solicitation, as principal(s) are named herein and that no other person than herein mentioned has any interest in this Response or in the Agreement to be entered into or which the Work pertains; that this Response is made without connection with any other person, company, firm, or parties making a Response; and that the Response is, in all respects, made fairly and in good faith without collusion or fraud.

The Proposer further declares that it has examined the geographic location(s) of the Work, performed sufficient investigations, and informed itself fully of the suitability of the Work and all conditions pertaining to the place where the Work is to be done; that it has examined the RFP and all of the Agreement Documents and all addenda thereto issued prior to Response Due Date, as acknowledged in its Response; and that it has satisfied itself about the Work to be performed; and that it has submitted the Proposal Guaranty, if required; and all other required information with the RFP; and that this RFP is submitted voluntarily and willingly.

The Proposer had determined based on its business and profession expertise that the Work can be performed and completed in accordance with the Agreement Documents.

The Proposer agrees, if this Response is accepted, to timely execute a contract with the Town, pursuant to the terms and conditions of the Agreement Documents and to furnish all necessary materials, equipment, machinery, tools, apparatus, means of transportation, and all labor necessary to complete the Work.

The Proposer also agrees to furnish the required Certificate(s) of Insurance.

In the event of arithmetical errors, the Proposer agrees that these errors are errors which may be corrected by the Town. In the event of a discrepancy between the Price Proposal in figures and the Price Proposal in words, the price in words shall govern. Proposer agrees that any unit price listed in the Response is to be multiplied by the stated quantity requirements in order to arrive at the extended value and the unit price shall prevail over the extended value. Hours are not intended to represent the actual hours to be worked under a Work Order, but are an estimated representation of a typical work week. The positions to be used, actual hours and Work Order value will be negotiated on an Event-by-Event basis.

The positions and associated hours identified below are solely for evaluation purposes only and do not necessarily reflect the final agreed to positions and rates. Hourly rates include all costs, (unless otherwise specified in the Agreement) associated with performance of the Agreement, including all overhead, profit (margin), lodging, meals, transportation, rentals, safety gear, telephone costs, cameras, GPS devices, and other equipment and materials.

Note: Where overtime is authorized by the Project Manager the rate will be billed at the hourly rate multiplied by 1.5, which is not to be included in any rate listed below.
